Joining Eureka!
Membership Dues

Yearly dues are $30 per individual or $36 for a family membership. Please go to Eurekatlc.com and download and complete the application form. Membership dues can be paid to the treasurer at the regular meetings.

Click here for membership application link.

Drawing tickets are $1 each, take a chance.

TREASURE HUNTER'S CODE OF ETHICS

- **I WILL respect private property and do no treasure hunting without the owner's permission.**
- **I WILL fill all excavations.**
- **I WILL appreciate and protect our heritage of natural resources, wildlife, and private property.**
- **I WILL use thoughtfulness, consideration, and courtesy at all times.**
- **I WILL build fires in designated or safe places only.**
- **I WILL leave gates as found.**
- **I WILL remove and properly dispose of any trash that I find.**
- **I WILL NOT litter.**
- **I WILL NOT destroy property, buildings, or what is left of ghost towns and deserted structures.**
- **I WILL NOT tamper with signs, structural facilities, or equipment.**

About *Soundoff*

Soundoff is the official newsletter of the Eureka! Treasure Hunters Club, Inc. (Eureka!). Mailing Address: PO Box 101385, Denver, CO 80250-1385.

Opinions expressed in ***Soundoff*** are those of the authors and do not necessarily reflect those of the club or its members. Publication of information in Soundoff constitutes no guarantee of accuracy. Use of any information found in this publication is at the sole risk of the user. Neither Eureka!, nor its officers, nor ***Soundoff***, nor its editors or contributors assume any liability for damages resulting from use of information in this publication. ***Soundoff*** is typically placed on the club's website the evening of the first Friday of the month.

Submissions

Articles, letters and short items of interest on prospecting, detecting and treasure hunting topics are welcomed and encouraged. All items submitted for publication are subject to editing. Submittals for publication or correction of errors may be made by e-mail in ASCII text format or MS Word. All article submissions must be received by the editor no later than the deadline of the month (see calendar) for inclusion in the next month's issue. Include publication information on articles clipped from other publications. Let's hear your story, ideas or tips - Cindy - your ***Soundoff*** editor.

Copyright

Unless otherwise noted, other nonprofit groups may reprint or quote from any articles appearing in *Soundoff* without prior permission, provided that proper author and publication credits are given and that a copy of the publication in which the article appears is sent at no cost to Eureka! at the above mailing address.

Advertising

Classified business-card-sized text advertising is free to members for non-business ads. Commercial display ads are available to anyone at the following charges: business card size, $6.00 per month; 1/4 page, $12.00 per month; 1/2 page, $24.00 per month; full page, $48.00 per month. Advertisers are encouraged to take out ads for 12 months and receive a 3-month discount. No other discounts apply. The treasurer must receive any required payments for commercial ads prior to their inclusion.

About Eureka!

Eureka! is a Denver-based, Colorado nonprofit organization established in 1973 for the enjoyment of metal detecting, electronic prospecting and treasure hunting. Its purpose is to provide an educational and social forum of mutual benefit for members. Eureka! holds a monthly meeting and conducts various special presentations, hunts and seminars. Members have voting privileges. Membership includes access to all general meetings, selected seminars and outings. Annual dues run April to March and are $30 for single adult membership, $36 for a family membership and $15 for Junior membership. Pro-rating of dues are done for new members joining the club after the April 1 dues date. Club meetings are held on the second Friday of each month, 7:30 p.m., at the Clement Community Center, 1580 Yarrow St., Lakewood, Colorado. Come early to socialize.

Next Club Meeting

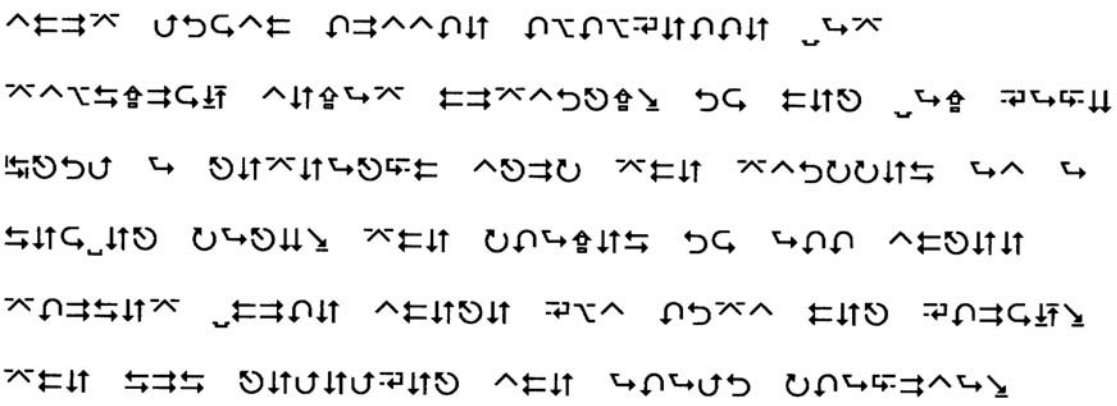
LuLubelle's Lost Bling Treasure Puzzle

By
Bill Chapman

A cryptogram is an encoded message. The code used is called a simple substitution cypher. This means that the message is encoded by replacing each character in the message with a letter of the alphabet. Every time a particular character occurs in the message, it is replaced with the same code letter. Word spacing and punctuation are not changed.

Some people like to solve cryptograms much like some people like to do crossword puzzles. The cryptogram is solved by looking for frequently used characters and clues provided by letter patterns and word spacing. Solve the cryptogram shown below, find LuLu's bling and bring it to the next regular Eureka! meeting to collect a prize.



Last month's solution:
spring was in the air and little lulubelle wanted to dance. so she went to mcdonough park and danced gaily around two large conifers near the park's center but in doing so lost her bling.

Park: McDonough

Prize: 5 golden dollar coins, sponsored by Louise Smyth of Gold-N-Detectors.

FIND-OF-THE-MONTH CATEGORIES

Gold: natural gold (flakes, nuggets, wire) stamped karat alloy content or obvious custom alloy item.

Jewelry: objects of metal often set with gems and worn for personal adornment, except jewelry qualifying for the GOLD category.

Coin: a piece of metal issued by governmental authority as money (includes GOLD coins of any nation).

Token: a piece resembling a coin issued as money by some person or body not of a governmental authority; can be redeemed for services or specified items.

Artifact: simple object showing human workmanship or modification.

Find of the Month Winners - April

ARTIFACT - John Cornelisse

US Box Plate

At a civil war site, Brandy Station, during a trip to the "Diggin' In Virginia" organized event, John located this artifact with his XP Deus using a 11x13 inch coil. The Union box plate was 5-7 inches down in a wooded previously heavily hunted area. See photos next page.

GOLD - Nancy Carter

14K Ring with 5 Diamonds

The VDI on Nancy's White's DFX was a 15-17 "foil/ring" reading. Three inches under her 9inch coil, Nancy managed to pull up this root entwined multi-diamond ring from a high school in Littleton using her probe.

JEWELRY - Mary Sable

Silver Ring

A Lakewood park is where Mary found this pretty ring in about 1 1/2 inches of dirt. She was using her White's XLT detector and this ring gave her a VDI reading of 80.

TOKEN - Devan Romero

Rudolph Roesch / 2½¢

Devan was hunting the construction crushed rock drive area of an old Littleton settler's farm when his Garrett's ACE 350 gave a good signal. This saloon token is from 1913 and lists the Denver address of 1642 Curtis St.

COIN - Larry Sloan

1866 Indian Head Cent

Larry was hunting at City Park with his Minelab Explorer when he found this old nice coin.

John Cornelisse holding his Union “US” Box Plate at the “Diggin’ In Virginia” Brandy Station site.

Win Faires, also at Diggin’ In Virginia”, found this toasted copper Half Cent (right), an example coin is shown on the left. Half Cents were produced from 1793-1857.

The Prez Sez

By Ron Erickson

Wow spring is here at least today. Thanks to all that help at the last meeting!

We had a great vacation with the Kiblers in Florida. I was glad I packed 4 headlamps. We did a lot of our metal detecting at night when the temps were down and the beaches were clear of sunbathers. We didn't find enough to pay for the trip, but we certainly had fun trying.

The City of Westminster is in the process of reviewing metal detecting in their parks. When Boots and Laura were approached in a City of Westminster Park by a park officer and told they could not metal detect, we decided to jump right on the issue. I contacted the City of Westminster by phone and then followed up with a letter of explanation. Shortly after receiving the emailed letter, I received another call from the City. They said the letter was very informative and they have decided to issue permits to metal detect in the parks. There will be restrictions like no metal detecting around any city building and fire stations. City Park is completely off limits and all sport fields are off limits during that sport season. Club rules apply in that no shovels will be allowed. Only screw drivers or probes may be used for recovery. In time, the City will review this policy. Permits are issued Monday through Thursday between 7 a.m. and 6 p.m. at Westminster City Hall in the lower level.

I would like to see all members get a permit and show the City we can recover targets without damaging the parks and have a good time doing it. It would really upset me to not be able to enjoy our hobby in the city where I live.

Eureka has a lot of events coming up. I hope you will participate and have Fun.

Enjoy the Hobby, dig responsibly.

Ron

Hop To It And Hunt!

By Jan Hallez

Rosamond Park

April 27

Being huntmaster for the first time is rather scary. Will I do everything right? Will the prizes be appropriate? Will the weather co-operate?

Well, it took two tries on the weather portion, but "Hop To It And Hunt" did finally happen. Eighteen hardy souls showed up to hunt, and from the on site reviews, had a very good time. Thank you to the hunters who showed up in spite of the soggy forecast. (It was a bit chilly, but bone dry.)

And a special thank you to all who helped with each aspect of the hunt, including ideas, planning, help with purchasing token prizes and planting.

In-Town Hunt Information

In-Town club hunts are meant to be fun, first and foremost. They provide a context outside of the meetings for fellowship with club members. To put on an in-town hunt you need to:

- Schedule with the Hunt Coordinator or President (see the contact list).
- Provide the Hunt Coordinator a plan.
- Send the hunt flyer to the newsletter editor in an appropriate format for insertion into the newsletter (see the contact list).
- Provide flyers at the monthly meeting.
- Ensure the hunt rules are discussed BEFORE the hunt.
- Police the hunt.
- Decide if the hunt is a members only or an open hunt (non-members may hunt).
- Write a story for the newsletter and send it and accompanying photos to the newsletter editor prior to that month's deadline.

To ensure the continuation of this hobby and to provide the best impression of Eureka! and its membership, you, as hunt master, MUST enforce all rules, including:

1. Pouches to store finds and trash must be worn and used at all times during the hunt.

2. All hunters must wear headphones.

3. Absolutely no tolerance of holes left open. A first warning, followed by a time-out or expulsion from the hunt.

4. Hunters digging and leaving trash of any sort on the hunt field will receive the same treatment discussed above.

All hunts will need to be okayed by Hunt Coordinator (see the contact list) prior to officially being put in the newsletter and put on.

Failure to follow the guidelines may result in hunts being cancelled.

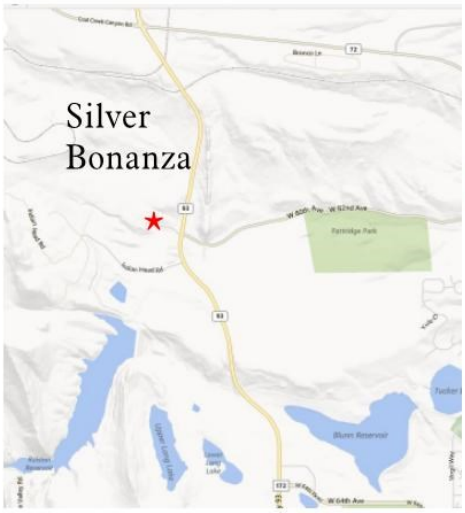
SILVER BONANZA

WHEN: Sunday June 15th, 2014. First hunt starts at 10:30 AM.

WHERE: Lazy Heart Ranch (6 miles north of Golden, at the intersection of 82nd Avenue and Colorado Highway 93, see map below)

WHAT: Two seeded hunts filled with loads of silver, a roast pig feast and tons of comradery.

COST: $100 per hunter - 100% of entry fees will go for targets that we will place in the ground. An equal opportunity to recover your share of these targets goes out to all who participate.



You will want to bring some extra money because we will be having drawings for silver & gold coins prior to the first hunt and during the lunch break.

Eureka! Breakfast Club:

The Eureka! Breakfast Club will meet the First Friday and the Third Saturday every month.
Contact Bill Abercrombie 303-525-0504 if you are interested in meeting for breakfast and then going out metal detecting with other club members.

Be advised some nefarious characters have been hanging out at Founders Park. Pictures are enclosed. Should you see any of these individuals you are advised to shoot first and ask questions later. Chris Davis
April 4, 2014 Breakfast Club.

Bill, Mary, John

Dear Breakfast Clubbers: Our 2nd Breakfast Meeting was held Saturday, April 19th at the Sunrise, Sunset Restaurant on Wadsworth at 9.a.m. Having a very good breakfast and some coffee together, we got to know some of the 13 members who attended. Many we had not talked to before! It was very interesting! We then proceeded to hunt the grounds of a local high school where we learned that some members were into digging bigger than necessary holes in the turf, without regard to the future of the hobby. They were mentored about the use of the probe and pinpointer, and of the need to abandon the digging tools. Mary found a nice silver ring with a pearl and gemstones settings. Others found coins and high school buttons. A good time was had by all. **Our next breakfast meeting is scheduled for Saturday, May 17, 2014 at 9 a.m. at 1424 S Wadsworth Blvd at the Sunrise, Sunset. Everyone is invited! Please call me at 303 525 0504 for info.** Bill Abercrombie

Secretary's Report

By Nancy Faires

April 11, 2014

Board member, John Olson opened the Eureka monthly meeting in the absence of President Ron Erickson. There were approximately 75 persons including 4 guests present. Officers and Board members were introduced.

Nancy Faires presented the Treasurer's report in the absence of Linda Kibler.

Membership renewals for 2014 are due this month.

The **City of Westminster** is requiring permits to detect in their parks.
Ron wrote a letter to the city explaining what we do. The response to Ron is as follows:
Permits to metal detect may obtained by going to the city office at 4800 w 92nd Ave, lower level, Monday – Thursday from 7 AM – 6 PM. The permits are good for 3 months and can be renewed. They do not want detecting in the parks next to municipal buildings and libraries, City Park Rec Center fields and sports fields in all city parks while they are in seasonal use. You may recover targets with probes and pinpointers; no shovels, leaches or digging trowels. They will be reviewing how we operate in their parks over the next few months and Ron will be following up with them to cover any concerns that may arise. If you are caught detecting without a permit, there is a possibility you will be fined. If you are caught using a shovel or digging tool, your permit will be revoked and club sanctions may be imposed. This is a temporary situation and hopefully we can prove to them that metal detectorists are a responsible group.

Permits are now available for the **City of Wheat Ridge**. They may be obtained at the city office located at 7500 W 29th Ave, in person, or online.

John Steele was the guest speaker. He spoke about **Diggin' in Virginia 26 & 27.**

Thanks to everyone for bringing food.

Lucky Charm Hunt – March – Majestic View Park, Arvada – Jay Reed
Well attended and enjoyed by all.
Devan Romero found the Spyderco token. He was rewarded with a rubber knife and after permission was obtained from his mother, Tonette, Devan was given a

(Continued on page 20)

(Continued from page 19)
Spyderco knife.

Tonette, Van and Devan Romero with Van holding Devan's Spyderco Knife and Devan showing his knife made of rubber.

Fun Hunt - Sunday April 5 – City Park, Denver
Six detectorists hunted. The meeting area by the boathouse was a little difficult to get to, but fun was had by all with lots of targets.

Hop To It - Rosamond Park, Denver - rescheduled due to bad weather - Sunday**, April 27** 2 PM snacks, and hunt to start at 2:30 PM - Jan Hallez

Tip of the Month – Jan Hallez
Carry a camera and your detector everywhere – use the camera to photograph places you see lots of activity in a possible hunt area. You will know the best area to hunt when you return.

Tip – Eric Ryland
Wearing Maui Jim bifocals help to clarify objects when hunting.

Lulu's Bling – sponsored by Louise Smyth / Gold-N-Detectors
Tonette and Devan Romero found Lulu's Bling at McDonough Park, Denver on Friday night. They were presented 5 golden dollars and a mercury dime.
Thank you Louise for sponsoring this hunt.

Breakfast Club – Bill Abercrombie and Nancy Faires
The Breakfast Club met April 4 at Sunrise Sunset for breakfast and hunt in Founders Park, Lakewood.
The next meeting will be April 19 – more information to be announced via email or phone call to those signed up.
Currently, meetings will be held the 1st Friday and the 3rd Saturday each month. Ideas and suggestions are appreciated.

Tickets for the oak display box, donated by John Cornelisse, are for sale - $1 each. After 75 tickets are sold, we will draw the winning ticket.

There are Eureka! hats, water bottles, detector pins and decals for sale.

May Hunt – Lazy Heart Ranch, Golden – Boots Lewis
This hunt will be Saturday May 10 in the evening with dinner.

June Hunt – Silver Bonanza - Lazy Heart Ranch

THE EUREKA! CODE

A Cryptex Clue Hunt

A cryptex will be at the Eureka Friday night meeting. Hidden inside the cryptex will be treasure in the form of silver coins. First, solve the six clues and bring your answers to the meeting. The answers will be in the form of a letter(s), number(s) or symbol(s). Line up the correct answers on the cryptex, and it will open up for your treasure!

RULES:

Some of the clues will require the use of a metal detector. Some of the clues do <u>not</u> require a metal detector.

Do <u>not</u> remove the brass and copper tokens with the answer stamped on them. They are fastened to a permanent fixture and need to be available for other treasure hunters.

This is a progressive hunt. If nobody solves all the clues this month, more silver will be added and additional clues will be in the following newsletter.

<u>Clue # 1</u> (Do not use metal detector! This is in a restricted city)

At the north entrance to the house of Brown.

Behind the sign that restricts you to only 1 that is greater than 21" per day.

<u>Clue # 2</u> (Use metal detector)

4 members in a famous rock group, all of which are dead. 1 was assassinated. A park was named after this one. Your answer is at the base of a 4" tall tree.

<u>Clue #3</u> (no metal detector needed)

What is missing at Eureka Treasure Hunters Club?

(Continued on page 24)

(Continued from page 23)

Clue # 4 (use metal detector)

Sledding downhill near the Platte. If you are stumped, you can find the answer at your feet.

Clue # 5 (use metal detector)

At tree # 52. You can see a mile high. At a place named for the first Secretary of State.

Clue # 6 What When Where The answer is (?)

THE CLUE

Find the answer in the newsletter to *The Clue* to have your chance to win at the next Eureka! meeting.

What metro Denver city is reviewing metal detecting being allowed in their parks?

Last month's answer: Eric Ryland. Although it was really Jan Hallez's tip but reported wrongly.

Wheatridge requires permits to metal detect in their city. No hunting is allowed October through March. They are accepting permit applications which will allow metal detecting April 1 - September 30, 2014.

That's all this month - find something good!
