## Get the Lead Out

(A Community Service Event by Eureka! Treasure Hunters Club)

by Jan Hallez

The extra hunt this month, "Get the Lead Out" held at Barr Lake on October 13<sup>th</sup>, was a great success! The day was beautiful. 20 hunters gathered at 10:00 a.m., eager to begin hunting. All day there were numerous pretty pelicans swimming in, or flying over, the lake providing a great backdrop for this project. We were able to search un-

derneath the new ADA fishing pier. The lake was not down as far as it was last year, but there was more than enough sand to search. The purpose of this hunt was to remove as much lead and junk from Barr Lake as we could. Birds eat the small lead sinkers and die from lead poisoning. Or they will get old fishing hooks and line stuck in their beaks that can kill them. I am happy to report that we removed 15 pounds of lead sinkers from the beach area. We also picked up and disposed of 10 gallons of

(Continued on page 2)

*(Continued from page 1)*

trash. There was even a very old iPod found. An old fishing knife was retrieved, as well as many lures.

And that brings me to an extra tip for the month. When you are wearing a pouch, and putting your trash in it, make sure you clean out everything, including lures when you are done. I neglected to do this. The next day when detecting, I could not get my pack off, as one of the lures had the hook slip out of the mesh and attached

itself to the back of my pants!

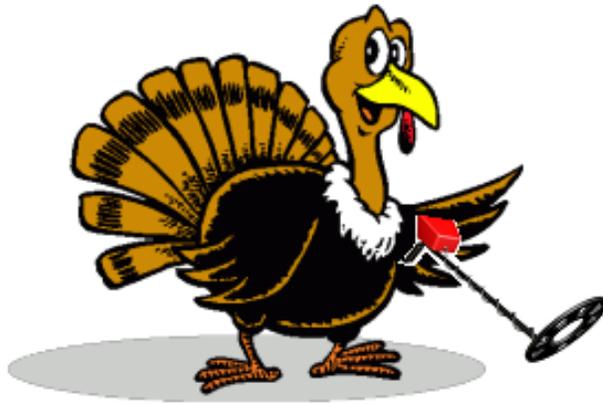

There were several prizes awarded for finding the greatest number of sink-

ers after one hour of hunting. Prizes included a detecting care package (Hand wipes, a nail brush and a pack of AA batteries), a couple of miss-stamped coins that were donated by a Eureka member, and a gift card for the Barr Lake Nature Center store. We also had a few nice coins donated that were awarded using prize tickets.

A big thank you goes out to all our members who attended. This is a very worthwhile event that will be put on again next year.

## Flying South Hunt by Bruce Morton

Sunday, October 20, 2019

It was cold and blustery; the wind cutting through the first layers of outer wear, burning exposed skin, and causing noses to drip. Fortunately, this hunt was in Colorado where such things are tolerated by the intrepid souls who metal detect. So, come out they did to Robby Ferrufino Park to defy Mother Nature and edge out their comrades in recovering coins foreign and domestic, tokens, tags, and bits-n-bobs of varied size and description.

Twenty four paid hunters competed for modern coins, silver coins, and prizes including copper rounds, silver rounds of varied size and weight, and other items (deemed interesting or useful by the hunt master). There were many targets, which, according to immediate feedback, was how the hunters like it.

There was, of course, everyone's favorite: a Spyderco token which was recovered by Pat Lucero. The hunters were at it for just about an hour and, almost unbelievably, found all of the prize tokens. But, that doesn't mean that there weren't still items left for the after-glow session which

(Continued from page 5)

still produced silver. We even had a machine failure and swap out mid-hunt. Professional auto racing pit crews would have been proud! The hunt would not have been possible without the tremendous display of support provided by the group of volunteers who showed up very early to assist in planting targets, provide and set up tables, pouring coffee, registering participants, and even cleaning the portable restroom. I offer my sincere thanks to the member volunteers who made it happen:

**Mike Magee, Alan Bravo, John Olson, Linda Kibler, Chris Davis, Rhys Llewellyn, Brandy Llewellyn, Kevyn Llewellyn, Mary Sable, Randy Sable, Everett Johnston, Marty Stone, and Joyce Keith.**

The targets acquired in preparation for the hunt were supplemented by very generous donations of club members. The donated items included targets for planting and prizes such as jewelry, tokens, coins (including silver), and other unique items. I thank the following donors for their thoughtful contributions:

**John Olson, Jay Reed, Ron Norden, Mike Rose, Chris Davis, Linda Erickson, Brian Henry, and Alan Bravo.**

Despite the sharp weather, a good time was had by all (at least those who survived and were able to offer an opinion.) Your support is appreciated.

# THE PREZ SEZ

by  
Chris Davis

November, 2019

I would like to thank Boots Lewis for standing in for me at the last Board of Directors and Club Meetings while I was off gallivanting around England. I hope he was able handle all those difficult questions concerning where the bathroom was located.

We will be electing 4 new Board Members at the December Meeting. The terms of Jan Hallez, Win Faires, Brian Henry, and John Olson will be expiring. We thank them for the service and the hard work they have devoted to making our Club a great organization.

The Executive Board is the governing body of the Eureka! Treasure Hunting Club. They are the ones, with input from the general Club members, who decide the direction our Club will go.

After one year's membership any adult club member in good standing is eligible to run for any office. All our officers are elected for a 2 year term. New officers are installed at the February meeting.

## Duties of Board of Directors

Board members, along with other officers of the Club, shall comprise an Executive Board which makes Club policy decisions. The Board of Directors represents the Club when dealing with community agencies or other clubs with mutual interest. The Board of Directors, in addition to regularly scheduled meetings, may be convened for special meetings called by the President.

All Club Officers meet once a month, usually the Wednesday prior to the General Club Meeting, to discuss Club business and prepare for upcoming events, e.g. meetings and hunts. Each Club officer is responsible for putting on one Club Hunt a year. This is not as intimidating as it might sound. Experienced Club Officers assist and guide the new officers.

New folks (with at least one year membership) are encouraged to run for office to bring new ideas and different perspectives which are always welcome. Please consider running for office.

**If you intend to nominate someone for a position, please discuss the nomination with that individual in advance of the nominating process and verify they are willing to run for office and serve if elected. Surprise nominations, while complimentary, are unfair to the prospective nominee and the Club.**

The weather is starting to turn cooler. Time to get your snowshoes and snow shovels out. I hate that I missed the first snow of the year while I was in England. I did get to shovel 5 or 6 inches of snow from the second fall of the year.

# Eureka! Breakfast Club

by  
Chris Davis

Saturday, October 19, 2019

We had another large turnout for the October 19, 2019 Breakfast Club. Twenty Club members showed up for breakfast, and 15 or so made the hunt. We drove over to City Park looking for buried treasure. Some of our folks hit the high school across the street. The remainder of us worked the park. We did not tear up the world, but we made a few good finds. Mike M. found a neat Boy Scout medallion. I never have seen one like it. He also picked up a \$5 Mexican coin. Marcus recovered a large key. Marty dug up a nice little owl pendant. Two silver rings were found. Brice got one, I got the other. Mine was a Navajo ring with a turquoise stone. Marty did best with a total of \$3.60 in change. We done better, but we also done a whole lot a worse.

# In-Town Hunt Information

In-Town club hunts are meant to be fun, first and foremost. They provide a context outside of the meetings for fellowship with club members. To put on an in-town hunt you need to:

- Schedule with the Hunt Coordinator or President (see the contact list).
- Provide the Hunt Coordinator a plan.
- Send the hunt flyer to the newsletter editor in an appropriate format for insertion into the newsletter (see the contact list).
- Provide flyers at the monthly meeting.
- Ensure the hunt rules are discussed BEFORE the hunt.
- Police the hunt.
- Decide if the hunt is a members only or an open hunt (non-members may hunt).
- Write a story for the newsletter and send it and accompanying photos to the newsletter editor prior to that month's deadline.

To ensure the continuation of this hobby and to provide the best impression of Eureka! and its membership, you, as hunt master, **MUST** enforce all rules, including:

1. Pouches to store finds and trash must be worn and used at all times

during the hunt.

2. All hunters must wear headphones.
3. Absolutely no tolerance of holes left open (a first warning, followed by a time-out or expulsion from the hunt).
4. Hunters digging and leaving trash of any sort on the hunt field will receive the same treatment discussed above.

All hunts will need to be okayed by Hunt Coordinator (see the contact list) prior to officially being put in the newsletter and put on.

Failure to follow the guidelines may result in hunts being cancelled.

Hunts may be paid for in advance. This helps the hunt master with planning for how much should be planted in the field. In case a person must miss the hunt, their prepaid fee may be refunded if they call the hunt master before the hunt and cancel, other circumstances will be reviewed. No refund will be given for just plain failure to show up to the hunt.

## Advertising

Classified business-card-sized text advertising is free to members for non-business ads. Commercial display ads are available to anyone at the following charges: business card size, \$6.00 per month; 1/4 page, \$12.00 per month; 1/2 page, \$24.00 per month; full page, \$48.00 per month. Advertisers are encouraged to take out ads for 12 months and receive a 3-month discount. No other discounts apply. The treasurer must receive any required payments for commercial ads prior to their inclusion.

## About Eureka!

Eureka! is a Denver-based, Colorado nonprofit organization established in 1973 for the enjoyment of metal detecting, electronic prospecting and treasure hunting. Its purpose is to provide an educational and social forum of mutual benefit for members. Eureka! holds a monthly meeting and conducts various special presentations, hunts and seminars. Members have voting privileges. Membership includes access to all general meetings, selected seminars and outings. Annual dues run April to March and are \$30 for single adult membership, \$36 for a family membership and \$15 for Junior membership. Pro-rating of dues are done for new members joining the club after the April 1 dues date. Club meetings are held on the second Friday of each month, 7:30 p.m., at the Clement Community Center, 1580 Yarrow St., Lakewood, Colorado. Come early to socialize.
