The Prez Sez by Chris Davis

December is a very busy month for most of us and Christmas is almost upon us. I hope everyone has been good little boys and girls this past year. Santa is keeping a list and checking it twice. He knows if you been naughty or nice. And he knows the meaning of "payback". He can be a rough customer if you cross him.

You only have a few more weeks to get your letter in to Santa. If you have not bought all your Christmas presents, time is running short to run out and buy your significant other a new detector or other indispensable metal detecting item.

Do not forget we elect officers at our December meeting. And December is the month of our Holiday Party. And most importantly, the December meeting is our Desert Meeting! Everyone needs to bring something yummy that will keep our blood sugar levels high enough.

Well, 2018 is nearly over. It has been a great year. I hope everyone had as good a year as I have had. I went off to England for the 4th year in a row and had a great time. I made some good friends and contacts in Scotland, and ran over a cow at 120 mph. Not everyone can say that. On this year's trip I set a new personal record in finding hammered silver coins. At home, I had my best year ever finding gold rings. It is going to be tough to do better in 2019, but I am going to give it a serious try.

Katie, my metal detecting partner, turned 1 year old in September, and has been a great deal of help encouraging me to get out there and hunt.

I look forward to seeing everyone at the Holiday Party and hope everyone has a wonderful Holiday Season!!!

Turkey Hunt

by
Brian Henry

It was a very cool morning to setup for the November **Turkey Hunt** at Majestic View Park in Arvada. Chris, Randy, Bruce, Mary and I had several layers on to haul all the supplies over the ditch and up the hill to the hunt field. Nancy and Win arrived and we all started planting coins into the frosty grass. After freezing fingers were dried off, we all started to shed layers as the temperature rose. And it turned out to be a beautiful day for a Eureka! club hunt.

Ron fired up the burger grill while Win and Nancy mastered the hotdog grill. The attendees brought all sorts of side dishes including a huge crock pot full of homemade mac and cheese (a real hit). Win and Nancy provided a delicious cake to celebrate our veterans. We planted 30 prize tokens, a bunch of silver coins, and a dos peso gold coin. Roy Neys donated his titanium men's ring he found last month. Bruce donated 2 copper rounds along with 2 small silver bars. Jay Reed won the gold coin, Mike Rose and Ron Graves won the silver bars, and John Hinton and Laura Lewis won the copper rounds. **Pete Adams won the turkey!**

(Continued from page 8)

It wound up a fantastic day for socializing and hunting together. Special thanks to Chris, Randy, Bruce, Win, Nancy, Ron, Linda and my wife Mary for all your help. You all did a great job.

(Photos continued on page 21)

Who's New by Bruce Morton

Norm Replin joins us from the Denver area as a 3rd generation Coloradan. Norm is a semi-retired attorney [hmm... sounds familiar] who has just started detecting with a Minelab Equinox 800 [pretty nice 1st machine] He found Eureka! through our web site and has expressed an interest in the Breakfast Club.

Besides accumulating wealth with his detector, Norm enjoys hiking, biking, and studying Colorado history. Welcome aboard, Norm!

In-Town Hunt Information

In-Town club hunts are meant to be fun, first and foremost. They provide a context outside of the meetings for fellowship with club members. To put on an in-town hunt you need to:

- Schedule with the Hunt Coordinator or President (see the contact list).
- Provide the Hunt Coordinator a plan.
- Send the hunt flyer to the newsletter editor in an appropriate format for insertion into the newsletter (see the contact list).
- Provide flyers at the monthly meeting.
- Ensure the hunt rules are discussed BEFORE the hunt.
- Police the hunt.
- Decide if the hunt is a members only or an open hunt (non-members may hunt).
- Write a story for the newsletter and send it and accompanying photos to the newsletter editor prior to that month's deadline.

To ensure the continuation of this hobby and to provide the best impression of Eureka! and its membership, you, as hunt master, **MUST** enforce all rules, including:

1. Pouches to store finds and trash must be worn and used at all times

during the hunt.

2. All hunters must wear headphones.
3. Absolutely no tolerance of holes left open (a first warning, followed by a time-out or expulsion from the hunt).
4. Hunters digging and leaving trash of any sort on the hunt field will receive the same treatment discussed above.

All hunts will need to be okayed by Hunt Coordinator (see the contact list) prior to officially being put in the newsletter and put on.

Failure to follow the guidelines may result in hunts being cancelled.

Hunts may be paid for in advance. This helps the hunt master with planning for how much should be planted in the field. In case a person must miss the hunt, their prepaid fee may be refunded if they call the hunt master before the hunt and cancel, other circumstances will be reviewed. No refund will be given for just plain failure to show up to the hunt.

Eureka! Breakfast Club

by
Chris Davis

Friday, November 2nd

The Breakfast Club went over to the Fred Thomas Park for its November 2nd hunt. Ten members attended including Jeff McClendon's son, Scott, who was on leave from his submarine. The Fred Thomas Park was very nice, from a metal detecting standpoint. There was a football field, a soccer field, a play area and a volleyball court. I felt sure we would find some rings, but... while it was a target rich environment, the targets were mostly coins. Randy found the only ring, and I do not think it was from Tiffany's. Dan P. picked up a nice religious medallion. The rest of us just found coins. Randy S. edged me out for most change, with \$5.13. Bruce M. dug up a very nice pistol slug. It was a great day to be out.

Perhaps the best find, or at least the

one with the best outcome, was made by Scott McClendon. Almost immediately after hitting the grass, he found some car keys. Turned out, they belonged to Pete! Scott did good; Pete got lucky.

About Soundoff

Soundoff is the official newsletter of the Eureka! Treasure Hunters Club, Inc. (Eureka!). Mailing Address: PO Box 101385, Denver, CO 80250-1385.
