The Prez Sez

by Jeff Lubbert

The April meeting will be a bit different in that Linda Kibler, Nancy and myself will be missing from the front tables. We will be attending the Charles Garrett memorial hunt that is being held in Canton, Texas. So, I ask of those that will be attending the meeting, please be patient. And, if you see more than a couple of people at the front table prior to the meeting or during the break, please give those that are helping out a break and wait your turn. Yes, dues are due and you should have a membership form filled out prior to the meeting (please do your best to make it legible). If you have the membership form filled out and also a check made out to Eureka THC you just need to drop them off at the front table. Remember to get your 2023 sticker and place it on your name badge.

This will be Marks 2nd meeting at the front table and we threw him into the fire by having him short staffed (I am truly sorry about that Mark). But, I have the utmost confidence in his abilities to head up the meeting. We will be having Ken and Tony as our guest speakers talking about their recent trip to England. It kills me to miss this talk as I really want to hear about their take on detecting in England.

If you are thinking about attending Rush to the Rockies, the deadline for the early bird entry is coming up quickly. The early bird entry gets you into a drawing for a very nice "coin" that I would love to have in my collection. Unfortunately for me, I will not get a chance to win that coin as I will not be participating in RTTR 23. Instead of participating, I will concentrate my efforts and making the hunt the best that it can be for the attendees. This being the president of Eureka thing takes quite a bit of time and effort that I had forgotten about. But, that is what I signed up for, and that is what I will do. Thanks,

Jeff

I miss the Lulubelle's Bling puzzle hunts. It was always so much fun trying to beat Alan Bravo to the Bling! So, with a tip of the cap to Lulubelle, we'll have an opportunity for you clever ones to charge your batteries, put your thinking cap on, and have a little fun. To make it as fair as possible, we'll publish the clues via email at 9:00 p.m. on Saturday, April 15th (location hours 5:00 a.m. - 9:00 p.m.)

To participate, email your interest to: eureka.bmorton@gmail.com by 6:00 p.m. that day.

In the email Subject line, enter: "I'm in"

In the body of the email, just enter your **Name** (*required*)

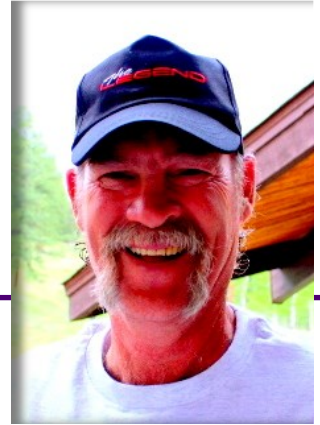

Don't worry; you'll still be able to make the Young Buzzard hunt, even as a volunteer! The early bird will get the worm. Have fun, then go do your bit to support Marcus.

The prize, a silver round, will be presented at the May meeting.

Cribbage Classic Report

by Mark Cochrane

The Cribbage Classic was a great success! Thank you to all of the Eureka Treasure Hunter's Club members for coming out and making my first hunt and the first hunt of 2023 the success it was! I would like to thank Boots and Laura for the use of their ranch (Kathy will feed bananas anytime to those cute goats). And, I couldn't have done it without the help of ALL of you. A big shout out to Nancy and Linda for their guidance and support. The planters (Mike, Greg, Lee, Randy) did an exceptional job of planting those hundreds of coins and dodging the cow dung. Thank you to both Lee and Marianne for bringing the coffee and donuts! That was a great way to start the hunt.

Also, Thank you to everyone who donated items for prizes. It was a pleasure hosting this event and honoring the Rex Family.

Breakfast Club 3/3

by Chris Davis

We had our first real Breakfast Club outing of the new year on March 3, 2023. Up to this point, it has managed to snow, or be too snowy, on every day we had on the schedule. The weather forecast on this day did not look overly encouraging, it was a bit cool with pm snow in the forecast, but we went out anyway, and surprisingly, did quite well. After the usual "where do we want to go hunt" discussion (argument) in the parking lot, we went over to the north end of Sloan Lake for our hunt. I cannot say I was overly enthusiastic, as I, personally, have never found much there, but it beat sitting at the house eating

potato chips and watching MSNBC on television. Actually, conditions could not have been better. It was not too cold, the ground was unfrozen and there was plenty of moisture in the soil.

We had 3 new members attend: Drake, Steve E. and Bob T. It turned out, they chose a good hunt to make.

Everyone found a nice amount of change. Some of the luckier hunters even found a pull tab or two. Randy S. ended up with \$2.20, but did it the hard way. He sat in one spot for an hour

and dug most of his 102 pennies. On paper, I (apparently) did best in change with \$3.59, but likely Mike M., Bob H. and others edged me out, but never told me how much they found.

Four rings were recovered. Steve E. got 2, Mary S. got 1 and Bob H. did the best with a nice Tungsten man's wedding band. Dan P. found an interesting pin marked, "Circle of Silver Knight" (something to do with cycling), which we will have to test and see if it is silver. I picked up a silver earring and Brice Y. may

(Continued on page 15)

(Continued from page 14)

have also found a silver necklace pendant, which we will also need to test. Mike M. dug up a Chinese coin. It must have been a deep hole. We found 5 or 6 Wheat-Ear Pennies and Lee P. recovered a shiny silver Roosevelt dime. The Wheat-Ear Penny I found was a 1917, in very good condition. Mark C. got a car! (A toy car, but still a car. It counts).

We did a whole lot better than I expected. As I arrived back at the house, it started snowing...

Breakfast Club 3/18

by Chris Davis

(Continued from page 16)

We had an excellent turnout (15) for the March 18, 2023 Breakfast Club. The day started out a bit on the cool side, but warmed up quickly as the sun came out. It really turned out to be a very nice day. After breakfast at the Lookin' Good Restaurant, we visited the Dunham and Swansea Parks. These were fairly small parks, but had obviously not been hit for some time.

(Continued on page 18)

(Continued from page 17)

In addition to some excellent pull tab and bottle cap finds our hunters did very well with change recovery. It was a surprisingly tight race for winner of the "Most Change" Win F. ended up with \$11.00 in change, but was narrowly beat out by Jeff M. who had \$11.18. Jeff also got a silver 1919 D Mercury Dime and 3 Wheat-Ear Pennies. Two rings were recovered. One by Roy N., the other by Jeff M. Neither were overly exciting, but as we say, "A ring is a ring is a ring", and rings are always good finds. I recovered a plated chain necklace.

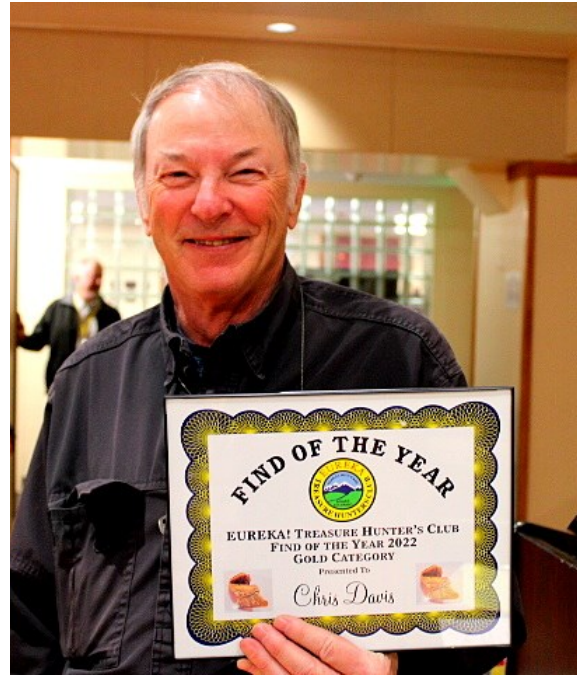

As Roy correctly said, "A good time was had by all."

July 7-9, 2023

TWO DAYS, FIVE HUNTS - \$290

Rush to the Rockies will be in Conifer, Colorado, in the foothills of the Colorado Rockies, 15 miles southwest of Denver. The Conifer area was settled in the 1860s but was first occupied by the Arapaho, Ute, and Cheyenne tribes, who used the area as a hunting ground.

GOLD PANNING!

Gold panning will be set up on Saturday.

OTHER

As with all our past events, you can expect a fun weekend full of exceptional hunts, fantastic prizes, and the great company of friends. **New this year**, we have decided to modify the hunt fields to minimize the elevation change after listening to comments left after last year's event.

I have a New-In-Box Garrett GoldMaster 24K metal detector. This machine has never been out of the box. If you look online you may find the GoldMaster 24K selling for \$679, you can take this machine home for \$550 if you pick it up. If you have any questions about the machine, please give me a call at 303-618-5179.

I made a mistake in ordering a coil so this may be your lucky day. I have a new CoilTek 10x5 coil for a MineLab CTX 3030. You will find this coil selling for \$399 online, you can take this coil home for \$300. Give me a call to discuss at 303-618-5179. Thanks,

Jeff L .

ALERT!
